

“Insecticides are the chocolate bar of an ignorant mind.”

One World

Together We Can Change Tomorrow Today

We are the first generation who truly understands that the world our children grow up in, will be vastly different from our own. How we overcome the challenges of our time, will make the difference between a world that we tolerate, and a world in which we prosper. One World is for everyone who feels they are living in a period of change, who feels uncertain about the future, and who wants to make the world a better place.
